Gorang Agarwal

Student

✉ agarwalgorang7@gmial.com   📞 8445891558   📍 Rampur Uttar Pradesh

Profile

A highly motivated and quick-learning individual with a strong academic background. Possess excellent communication, teamwork, and problem-solving skills. Eager to contribute to a dynamic organization, apply theoretical knowledge to practical challenges.

Education

Bachelor of Technology - BTech, Computer Science — Aug 2022 - Present
GL Bajaj Group Of Institution, Mathura

Higher secondary examination - 12th, PCM — Apr 2021 - Mar 2022
St Paul's Senior Secondary School, Rampur

Project

Email Spam Classifier
The goal is to use machine learning algorithms to build a classifier. After successful training and testing, the model can be deployed in an email system. You can create a simple application where the user inputs an email, and the model predicts whether it's spam or non-spam. Additionally, this system can be integrated into email clients for real-time spam filtering.

Courses

Course	Date
AI x ChatGPT for Productivity 101	Jan 2024
Complete Pandas for Absolute Beginners	Jan 2024
Databases with Python: MySQL, SQLite & MongoDB with Python	Jan 2024
ChatGPT + Bing (Copilot): Prompt Engineering Masterclass	Feb 2024
Kanban AI Fundamentals	Feb 2024
Internship & Job Preparation	Feb 2024
Tata Group's Cybersecurity Analyst job simulation	May 2024
Introducing Data Science and Machine Learning with Python	Jul 2024
